### A. Brief Introduction to KNB Scholarship Program

The Kemitraan Negara Berkembang (KNB) Scholarship is a financial assistance offered by the Indonesian Government to international students from developing countries to pursue their master degree in Indonesian Universities. Initially, the idea of offering scholarships by the Ministry of Education and Culture of the Republic of Indonesia for the student coming from the NAM member countries was mandated in the 10<sup>th</sup> Conference of Heads of States of Non-Aligned Movement (NAM) countries commenced in Bandung from 1<sup>st</sup> – 6<sup>th</sup> September 1992. Following that mandate, in 1993 the Government of the Republic of Indonesia started offering postgraduate (master degree) scholarships to students from the NAM member countries.

Since 2002, due to the substantial change in the international political constellation, the use of the term "NAM" in this program was considered irrelevant. The program name then changed to Kemitraan Negara Berkembang (*Developing Countries Partnership*) Scholarship or KNB Scholarship. Consequently, the program have been widely offered to students, not only to the NAM member countries, but also to other developing countries such as Thailand, Fiji, Gambia, Senegal, Nigeria, Madagascar, Suriname, Pakistan, Guyana, Myanmar, Laos, Vietnam, and Vanuatu.

### B. Program Objectives
